

## Certified Stormwater Inspector - Municipal Cincinnati, OH: February 26-27, 2018

Designed specifically for MS4 personnel, this course focuses on stormwater permit compliance as the key to restore and maintain the waters of the United States. Testing will be conducted. Students are expected to achieve a minimum overall score of 75% to be awarded 1.2 CEUs (Continuing Education Units) from National Stormwater Center, and a five (5) year CSI™ Inspector Certificate. This certification indicates that the services are being performed by professionals who have completed the stormwater inspector certification requirements and have met established standards of knowledge, experience, and competence required in the field of stormwater inspections.

**Certified Stormwater Inspector - Municipal is appropriate for MS4 stormwater personnel**

**including:**

Public Works

Code Enforcement Officials

Building Code Inspectors

Floodplain and Watershed Personnel

FOG Inspectors (fats, oils, greases)

Consultants to MS4s

**Also, appropriate for:** Industry and Construction Inspectors.

**The instructor for your online course will be Jeff Hutton.**

Jeff is a retired Environmental Protection Specialist from the Illinois Environmental Protection Agency. He also served as a Technical Assistant at the Illinois Natural History Survey. Jeff has a Bachelor's degree majoring in Zoology with a minor in Chemistry from Eastern Illinois University.
