

January 8, 2020,

Dear College/University Professional,

Greetings! We would like you to share with Graduate Students in your Public Administration or Civil Engineering program that the American Public Works Association Ohio Chapter is accepting applications for two **\$1,000 scholarships**.

The American Public Works Association is committed to supporting people who choose to enter the public administration and public works fields. We hope that your students will take the time to apply for this scholarship. Details on the Ohio APWA Scholarship can be found at <https://apwa.net>.

The application deadline is February 28, 2020. A flyer for you to print and post is attached, along with the application. Please contact me if you have any questions.

Sincerely,

A handwritten signature in blue ink that reads "Sonja R. Simpson". The signature is written in a cursive style.

Dr. Sonja Simpson
